

Disorder	Aetiology	Status	Concept ID	Preferred Term	Notes	
Ocular Hypertension	None		1109141000000102	No evidence of glaucoma (situation)		
	Primary	Secondary	1110081000000100	Primary ocular hypertension (disorder)		
			29538005	Glaucomatocyclitic crisis (disorder)		
	1110121000000102		Ocular hypertension due to aphakia (disorder)			
	1110131000000100		Ocular hypertension due to neovascularisation (disorder)			
	1110141000000109		Ocular hypertension due to ocular trauma (disorder)			
	1110101000000106		Ocular hypertension due to pigment dispersion syndrome (disorder)			
	1110091000000103		Ocular hypertension due to pseudoexfoliation (disorder)			
	62011000000100		Ocular hypertension due to steroid (disorder)			
	1110111000000108		Ocular hypertension due to uveitis (disorder)			
1110151000000107	Secondary ocular hypertension (disorder)		To be used only if above options are not applicable			
Not specified		4210003	Ocular hypertension		To be used only if above options are not applicable	
Angle closure (no glaucoma)	Primary	Suspect	1128111000000103	Primary angle closure suspect (disorder)		
		Acute	1111471000000102	Acute primary angle closure (disorder)		
		Non-acute	1111561000000108	Primary angle closure (disorder)		
	Secondary	Acute	1111521000000100	Acute angle closure due to neovascularisation (disorder)		
			1111491000000103	Acute angle closure due to uveitis (disorder)		
			1111511000000106	Phacomorphic secondary acute angle closure (disorder)		
		1111481000000100	Secondary acute angle closure (disorder)		To be used only if above options are not applicable	
		Non-acute	1111551000000105	Angle closure due to neovascularisation (disorder)		
			1111541000000107	Angle closure due to uveitis (disorder)		
	232080006		Plateau iris (disorder)			
	Not specified		1111531000000103	Secondary angle closure (disorder)		To be used only if above options are not applicable
	Acute		1111451000000106	Acute angle closure (disorder)		To be used only if above options are not applicable
	Angle Closure Glaucoma	Primary		392288006	Primary angle-closure glaucoma (disorder)	
Secondary		193552006	Glaucoma due to chamber angle anomaly (disorder)			
		10100008	Malignant glaucoma (disorder)			
		232086000	Neovascular glaucoma (disorder)			
		392300000	Phacomorphic glaucoma (disorder)			
		89215000	Postoperative angle-closure glaucoma (disorder)			
		1137633000	Secondary angle-closure glaucoma due to iridocorneal endothelial syndrome (disorder)			
		314784002	Secondary angle-closure glaucoma - synechial (disorder)			
		21571006	Secondary angle-closure glaucoma (disorder)		To be used only if above options are not applicable	
Not specified		392291006	Angle-closure glaucoma (disorder)		To be used only if above options are not applicable	
Glaucoma	Not specified		833278008	Glaucoma suspect (disorder)		
	Primary	Suspect	788995007	Normal pressure primary open-angle glaucoma (disorder)		
		Normal pressure	77075001	Primary open angle glaucoma (disorder)		
		Increase pressure	392352004	Angle recession glaucoma (disorder)		
			15374009	Aphakic glaucoma (disorder)		
			93435005	Drug-induced glaucoma (disorder)		
			232088004	Ghost cell glaucoma (disorder)		
			45623002	Glaucoma associated with anterior segment anomaly (disorder)		
			404634005	Glaucoma associated with iridocorneal endothelial syndrome (disorder)		
			53667005	Glaucoma associated with systemic syndromes (disorder)		
			19309007	Glaucoma associated with vascular disorder (disorder)		

Open Angle Glaucoma	Secondary	715144004	Glaucoma caused by silicone oil (disorder)	
		788947003	Glaucoma due to intraocular neoplasm (disorder)	
		275477002	Glaucoma due to ocular cyst (disorder)	
		193562004	Glaucoma due to ocular vascular disorder (disorder)	
		66725002	Glaucoma due to perforating injury (disorder)	
		788948008	Glaucoma due to retinal detachment (disorder)	
		193555008	Glaucoma due to systemic syndrome (disorder)	
		232090003	Glaucoma following surgery (disorder)	
		34623005	Glaucoma with increased episcleral venous pressure (disorder)	
		232087009	Glaucoma with intraocular hemorrhage (disorder)	
		392030001	Hemolytic glaucoma (disorder)	
		111140100000105	Open angle glaucoma due to neovascularisation (disorder)	
		111139100000107	Open angle glaucoma due to ocular trauma (disorder)	
		32893002	Phacolytic glaucoma (disorder)	
		46168003	Pigmentary glaucoma (disorder)	
		111514006	Pseudoexfoliation glaucoma (disorder)	
		24151000119106	Steroid-induced open angle glaucoma (disorder)	
314033007	Uveitic glaucoma (disorder)			
392029006	Uveitis-hyphema-glaucoma syndrome (disorder)			
21928008	Secondary open-angle glaucoma (disorder)	To be used only if above options are not applicable		
Post-surgical Disorders	370504007	Aqueous humor mistirect (disorder)		
	733310006	Conjunctival blebitis following glaucoma surgery (disorder)		
	1217656003	Dislodgement of plate after glaucoma surgery (disorder)		
	1217658002	Dislodgement of tube after glaucoma surgery (disorder)		
	232090003	Glaucoma following surgery (disorder)	? Change to Glaucoma following ocular surgery	
	1264000005	Scar of eye due to and following filtration operation for glaucoma (disorder)
