Looking ahead 2013

- The next IHTSDO Showcase will take place at the IHTSDO conference in Washington DC, USA 10-11 October 2013
- Planning for this is starting after this conference

The James Read Memorial Lecture

- It is about:
 - History and about the future
 - Terminology and terminologists
 - Success and struggle
 - Learning, experience and expertise
 - People and stories
 - But most of all it is about celebrating how terminology can be used to help clinicians, social care professionals and patients to improve well being and reduce suffering

Professor Martin Severs OBE

“Evolution, Survival, Revolution
and Growth: A tale of everyday
terminology folk”
