

Welcome to SNOMED CT Implementation Showcase Conference

Stockholm, Sweden
Thursday 25th October 2012

Agenda (1)

- Formal welcome
- About the IHTSDO and SNOMED CT
- Implementation Showcase
 - **SNOMED CT – Meaningful Ideas to Practical Benefits**
- Housekeeping
- Introduction of keynote speaker

The IHTSDO: What is this about?

- An international effort to produce and enhance a global clinical terminology standard
- An organisation that owns & supports that effort
- An organisation that is financially sustainable & open
- A set of products and services produced by that organisation
- Set of explicit principles that guide decision making
- An organisation focused on the global citizen and their health

Status of the IHTSDO

- The IHTSDO is a Danish Association
- The Association is a registered not-for-profit entity in Denmark (23rd March 2007)
- Articles of Association detail the who, what, where and how of the Association
- The Association owns the intellectual property
- Intellectual property in SNOMED CT and antecedent works (SNOMED 3.5, RT etc) was transferred to the IHTSDO 26th April 2007

Status of the IHTSDO

- The Members control the organisation and the Articles of Association; (subject to Danish Law)
- 19 Members:
Australia, Canada, Cyprus, Denmark, Estonia, Iceland, Israel, Lithuania, New Zealand, Malta, Netherlands, Poland, Singapore, Slovenia, Slovak Republic, Spain, Sweden, UK, USA
- Ongoing expressions of interest from a number of other nations we hope will join!
