

Call for Asia Pacific Region Expressions of Interest: Host the 2024 October Business Meetings & SNOMED CT Expo!

Once annually in October, SNOMED International and an individual Member country work together to hold an internationally-attended SNOMED CT event. The event is comprised of a four-day Business Meeting and a two-day SNOMED CT Expo, supplemented with regional and culturally focused social activities.

The Business Meetings allow SNOMED International governance and advisory bodies, such as the General Assembly, Management Board, Member Forum, Advisory Groups, and Clinical Reference Groups, to meet face-to-face and also gain exposure regarding the host country's health and eHealth environment.

By contrast, the Expo is a more externally-oriented event aimed at showcasing global SNOMED CT implementation successes and experiences.

With each event cycle a new call for hosts is made, encouraging Member consideration to submit a proposal to host the October events.

SNOMED International now invites 'Expressions of Interest' from Member Host Countries for October 2024

To maintain equality among the 3 global regions, proposals for 2024 are sought from:

- 2024: Asia-Pacific Region Members

HOW DOES THE SELECTION PROCESS WORK?

Call for Expression of Interest

Call to SNOMED International Member countries to submit expressions of interest to host the October 2024 Business Meetings and SNOMED CT Expo events.

Deadline to Submit Verbal Expressions of Interest for Review by July 12, 2022.

Request for Formal Proposals

SNOMED International will shortlist Member hosts for 2024 with an invitation to prepare a formal proposal.

Deadline to Submit Formal Proposals by October 21, 2022

Formal proposals submitted will require detailed information as outlined in the [Host Country Proposal Requirements document](#),

Review of Formal Proposals by SNOMED International & Management Board: January 2022

Successful October 2024 Member host country decided upon and announced at the April 2023 Business Meetings in London.
