

# SNOMED CT Expo 2022 - Call for Abstracts Open

Do you have SNOMED CT knowledge and experience that you want to share with the global community? Submit an abstract for a SNOMED CT Expo 2022 oral presentation or e-poster today!

We're looking for presentations that focus on using the clinical terminology in a product, service or research. Submissions must align with one of the four program streams:

- **Enhancing Clinical Practice and Outcomes**
- **Terminology Leading Practices**
- **Demonstrating Implementation Excellence**
- **\*\*New\*\* Advances in Research and Innovation**

Don't miss out on a great opportunity to contribute to the global knowledge pool of SNOMED CT use, enhance your professional reputation and build awareness of your organization's achievements using the terminology.

## **Wait, there's more!**

All submissions will be entered into a weekly prize draw. Draws will be made each Friday between now and April 17, 2022.

## **Key Dates:**

**April 17, 2022:** Deadline for abstracts

**May 27, 2022:** Submitters notified

**SUBMIT TODAY**

**Check out the brief video below for inspiration!**

In about 60 seconds, learn how presenting at the SNOMED CT Expo 2022 can benefit you, your organization and the international digital health community...
