

2021 SNOMED International Annual Report: A collaborative approach to deliver global interoperability

SNOMED International is pleased to announce the release of the organization's [2021 Annual Report](#). Titled *A collaborative approach to deliver global interoperability*, it reflects our efforts and achievements as we continue to work toward realizing our 2020-2025 Strategy. And while the report focuses on the breadth of SNOMED International's 2021 activities, it also highlights the growing quantity and quality of our many collaborations and their contribution to SNOMED CT.

Highlights of the Report include:

- **Message from the General Assembly Chair, Management Board Chair and CEO**
- **2021 strategy update**
- **Our Members** and highlighted Member success stories
- **Product & Services highlights** including frequent releases, community content, and concrete domains
- The organization's **content enhancements & collaborations**
- **SNOMED CT case for investment**
- A report on **global stakeholder engagement** activities
- Our **innovation activities**
- Enabling success through **corporate functions**
- Meet our **governance representatives**
