

# SNOMED International re-launches the SNOMED CT Foundation course

SNOMED International recently updated its SNOMED CT Foundation course, providing an introduction to a broad range of SNOMED CT related topics, including the why, what and how of SNOMED CT.

The re-launched Foundation course provides focused, introductory and interactive SNOMED CT curriculum, making it easier to engage and learn about SNOMED CT. For those wishing to continue their SNOMED CT education, the SNOMED CT Foundation course is a prerequisite for more advanced SNOMED CT courses.
